The Japan Rubber Baseball Association has approximately 15,000 registered elementary school-class teams in active participation, known as the “Junior league.”

The Seinanbu Sunboys of the Kanazawa schoolchildren’s baseball association in Ishikawa prefecture claimed victory at the All-Japan schoolchildren’s rubber baseball tournament (August, 2009) and will go on to represent Japanese junior rubber baseball in the coming tournament.

**The Seinanbu Sunboys’ team motto.**

Changing your heart changes your awareness. Changing awareness changes actions. Changing actions changes habits! Number one in practice and heart in Japan! Taking care with every play. Success depends on preparation. Changing your habits changes the future! The Sunboys treasure the spirit to challenge ourselves.

**Points of interest. Past performance.**

Undefeated in fourth grade tournaments and official games, but lost for the first time during a rookie game in an Ishikawa prefecture tournament. This was the turning point from a vague idea to a real goal, to win the national tournament. This has been the constant spirit throughout training, and the “dream” has come true now that they are Japan’s “champion team”. As the representatives of Japanese rubber baseball, they will go on to the IV “Youth Zhujiang Cup” Baseball Tournament to face the best teams in Asia and fight to become Asia’s “champion team”.
