I extend my sincere congratulations to the Hong Kong Baseball Association on organising the Hong Kong International Baseball Open 2018.

Thanks to the unremitting effort of the Hong Kong Baseball Association in promoting and developing the sport in the region, Hong Kong has become a popular venue for international baseball tournaments. The Hong Kong International Baseball Open, an annual event sanctioned by the World Baseball Softball Confederation, has always been a beloved tournament for baseball enthusiasts in the region. With an anticipated participation of around 160 players from seven countries and territories including Hong Kong, we expect the Tournament will once again bring to both local and foreign baseball fans a series of exciting matches.

I wish the Tournament a resounding success and all our overseas guests an enjoyable and rewarding time in Hong Kong.

I would like to extend my warmest congratulations to the Hong Kong Baseball Association on organising the Hong Kong International Baseball Open 2018.

First launched in 2012, the Hong Kong International Baseball Open has attracted more and more young people to baseball and nurtured a growing pool of local talents for Hong Kong. With seven elite teams from Australia, Chinese Taipei, Russia, Singapore, the Philippines and Hong Kong showcasing their skills in contest for the championship titles, this year's tournament promises to be an exciting and enjoyable event that will further promote the development of the sport in the territory.

This prestigious event is made possible by the zealous efforts of the Association, to which I would like to express my heartfelt appreciation. May I wish the tournament great success and all the contestants a fruitful experience.

We are proud and honored to be staging the much touted Hong Kong International Baseball Open, edition 2018, with our teams, junior and senior, to host and compete against others from Australia, Chinese Taipei, Russia, Singapore and the Philippines under the aegis of the sports ruling body with support from the Leisure and Cultural Services Department plus the Home Affairs Bureau.

This tournament is also made possible in part from the Arts and Sport Development Fund which is so appreciated. Baseball and softball are a sporting success story in Hong Kong to which this meet is testament.

Mr. Riccardo Fraccari

President
 World Baseball Softball Confederation

Dear International Baseball Players, Friends, Fans, Clubs and Officials:

The World Baseball Softball Confederation (WBSC) is proud to recognise and officially sanction another exciting edition of the Hong Kong International Baseball Open (HKIBO 2018). This international competition, hosted by the Hong Kong Baseball Association (HKBA), features the National Teams (and therefore the best players) of Russia, Singapore and host Hong Kong. The HKIBO 2018 also includes club teams from Australia, Chinese Taipei and Philippines, as well as the Hong Kong Youth Development Team.

The Hong Kong International Baseball Open is a great international platform that strengthens the global baseball community and brings people from different parts of the world closer together. This tournament is truly a wonderful demonstration of how the sport of baseball has grown and how it continues to be an exciting activity among people of various ages and cultural backgrounds. This event also provides greater international experience to the players, coaches, umpires, and scorers, as well as all the officials and organizers.

WBSC commends the great efforts of the HKBA to give our sport's athletes another opportunity to compete on an international platform, while connecting our sport with important supporters such as Hong Kong's Home Affairs Bureau (Arts & Sport Development Fund) and Leisure and Cultural Services Department.

WBSC sends a special thanks to the leadership and staff of HKBA, the local authorities, sponsors, officials and volunteers, as well as the dedicated players and teams - without them, it wouldn't be possible to stage and celebrate this event.

I wish the best of luck and international friendship, respect and fair play to all the teams, athletes and officials who are joined together by this important HKIBO competition.

Riccardo Fraccari
