Mr. Vincent LIU, JP

*Director of Leisure and Cultural Services
Leisure and Cultural Services Department*

I would like to extend my sincere congratulations to The Hong Kong Baseball Association Limited on hosting the Hong Kong International Baseball Open 2019.

Thanks to the Association's tireless efforts in nurturing young athletes over the years, the local baseball scene has been lively with a growing number of emerging players. This year's tournament promises to be an excellent showcase of prowess and skills by contesting teams from Russia, Singapore, Taiwan and Hong Kong, which will compete head to head with one another for the titles and glory. Baseball enthusiasts will surely be stunned and thrilled by the top-notch performance of these elite players throughout the matches.

May I wish the tournament great success and all the contestants the best of luck.

Vincent LIU
Director of Leisure and Cultural Services

Message

Mr. Riccardo FRACCARI

*President
World Baseball Softball Confederation*

Dear International Baseball Players, Friends, Fans, Clubs and Officials,

The World Baseball Softball Confederation (WBSC) is proud to recognise and officially sanction another exciting edition of the Hong Kong International Baseball Open (HKIBO 2019). The tradition continues and this international competition, hosted by the Hong Kong Baseball Association (HKBA), features the National Teams (and therefore the best players) and Club Teams of Taiwan, Russia, Singapore and host Hong Kong.

The Hong Kong International Baseball Open is a great international platform that strengthens the global baseball community and brings people from different parts of the world closer together. This tournament is truly a wonderful demonstration of how the sport of baseball has grown and how it continues to be an exciting activity among people of various ages and cultural backgrounds. This event also provides greater international experience to the players, coaches, umpires, and scorers, as well as all the officials and organizers.

WBSC commends the great efforts of the HKBA to give our sport's athletes another opportunity to compete on an international platform, while connecting our sport with important supporters such as Hong Kong's Home Affairs Bureau (Arts & Sport Development Fund) and Leisure and Cultural Services Department. All these organisations committed in the past and continue committing to have this event yearly.

WBSC sends a special thanks to the leadership and staff of HKBA, the local authorities, sponsors, officials and volunteers, as well as the dedicated players and teams – without them, it wouldn't be possible to stage and celebrate this event.

I wish the best of luck and international friendship, respect and fair play to all the teams, athletes and officials who are joined together by this important HKIBO competition.

Riccardo Fraccari
President

Mr. Thomas LEE

Message

Mr. Philip LI

*President
Hong Kong Baseball Association*

It is my pleasure and honour to welcome you to the Hong Kong International Baseball Open 2019.

The number of participating teams to play this tournament is smaller than any one held in the past years, may be, due to some invitee's concern on the current social movement, which has been lasting for six months. I therefore thank the five teams from Russia, Singapore, Taiwan and our Hong Kong for their trust in Hong Kong's safety and confidence in Hong Kong Baseball Association's ability to organize a successful tournament.

Taking this opportunity, I would like to tell aloud to those, who are reading this message and playing and watching this tournament, Hong Kong is and continues to be an international metropolitan and an international financial center. After the social movement ended, it will be even safer and more beautiful, and the Hong Kong Baseball Association is expected to have more supports from the government and the public for its development and organizing international baseball tournaments in the current or an upgraded format.

I wish all the teams enjoying every match of this tournament and having a pleasant stay in Hong Kong.

Philip LI
President

Mr. Andrew FAN

*Chairman
Hong Kong Baseball Association*

It is my pleasure to announce that the Hong Kong Baseball Association is again hosting the Hong Kong International Baseball Open.

First of all, I would like to thank our title sponsor, Lick Sang International Company Limited, for supporting this wonderful event.

It is also our honour to once again have the World Baseball Softball Confederation sanctioning HKIBO, as well as the Home Affairs Bureau and the Leisure and Cultural Services Department subventing the Tournament. HKIBO has been one of the marquee baseball tournaments in Hong Kong, with the uniqueness of inviting both teams from Hong Kong and overseas.

I would like to welcome all participating teams, and express my gratitude to our umpires, scorers, local baseball supporters and volunteers for all the support during the Tournament.

Let's play ball!
