**■ Team Introduction**

For the development of Women's baseball in Hong Kong, Bravo (formerly known as Development Team) was founded to help explore the potential of local players, provide opportunities for them to compete with other elite players overseas and gain valuable experiences through competitions. Since the joining of talented young players, we are looking forward to enhancing our baseball techniques and sense of competition by high-level international tournaments. Hopefully, it can provide impetus for the continuous growth of Hong Kong Women's baseball.
