During registration, applicants will be categorized into two types: "New Applicants" and "Non-New Applicants." In the first round of registration, priority will be given to New Applicants. If an applicant has been accepted and paid the fee, or has participated in any relevant District Promotion Baseball Training Scheme in the past 12 months—regardless of whether they completed the entire programme—they will be considered a Non-New Applicant.

For activities involving pair or group registration, if any member of the registration group is classified as a Non-New Applicant, the entire group will be treated as Non-New Applicants.
