

CHAIRMAN'S REPORT

2025 Annual General Meeting

Reported by Chong Ki Ming, Stanley

Dear Members,

On behalf of the Board of Directors, I am honoured to present the 2025 Annual Report. This year has been marked by significant achievements in both international competitions and event hosting, reflecting the growing stature of Hong Kong within the global baseball community. Our athletes have demonstrated remarkable progress across all levels, while our locally organized international tournaments have established Hong Kong as an emerging hub for baseball in Asia.

Annual Activities and Performance Overview

Our senior team delivered exceptional performances throughout the year. The highlight of their season came at the Hong Kong International Baseball Open in December 2024, where they captured the championship title with a thrilling 10-9 victory over Zhongshan Panda in the final.

Our youth development programs yielded impressive results, particularly at the inaugural Hong Kong International Youth Baseball Classic in March 2025. This event featured five competing teams and provided excellent international exposure for our young athletes. The U15 squad further demonstrated the strength of our development program by achieving fifth place at the XII BFA U15 Asian Baseball Championship in Taiwan.

Our women's team delivered exceptional performances in international competitions this season, showcasing remarkable growth and competitive spirit. The team achieved a historic victory by winning the Phoenix Cup 2025, demonstrating outstanding skill and teamwork throughout the tournament.

Additionally, the team achieved outstanding results at the 2025 BFA VI Women's Baseball Asia Cup in Hangzhou. Despite a challenging start with an opening loss to Chinese Taipei, the team showed tremendous resilience by securing three consecutive victories against China (15-5), India (11-1), and Thailand (18-8). This impressive performance earned them second place in Group A and advancement to the next round of the competition. These achievements highlight the rapid development and potential of women's baseball in Hong Kong.

Local International Events

This season, our association successfully organized several major international tournaments that have significantly contributed to the development of baseball in Hong Kong. We hosted the Hong Kong International Baseball Open in December 2024, which brought together teams from multiple territories, including the Philippines and Mainland China, providing excellent high-level competition for our senior team.

In February 2025, we organized the "Phoenix Cup 2025" Hong Kong International Women's Baseball Championship, featuring international women's teams and culminating in our women's team capturing the championship title. March 2025 saw the inaugural Hong Kong International Youth Baseball Classic, providing valuable international exposure for our young athletes.

For Baseball5 Development

Additionally, we hosted the 1st Hong Kong High Five Baseball5 Championship, further establishing Hong Kong as a hub for baseball5 development in Asia. These events collectively demonstrated our strong organizational capabilities while providing crucial international competition opportunities for athletes across all levels. The tournaments successfully promoted cultural exchange and strengthened relationships with baseball communities throughout the region. The event represented a pioneering achievement as Hong Kong's first large-scale indoor Baseball5 tournament held in a public shopping mall — D • PARK in Tsuen Wan. Hosting the tournament in the atrium of D • PARK broke new ground by taking the sport directly to the community, significantly raising its visibility and public accessibility. It effectively introduced Baseball5 to a broader audience, attracting strong online registration and a notable number of spectators. The competition also served as a successful test event ahead of the planned Baseball5 Asia Cup in 2025.

Looking Forward

Building on this year's accomplishments, we are pleased to announce our upcoming major local international events for the 2025–2026 season, demonstrating our commitment to the sustained development of baseball in Hong Kong:

- December 11–14, 2025: Hong Kong International Baseball Open
- February 5–8, 2026: Phoenix Cup 2026
- March 2026: 3rd Asian Cup of Baseball⁵

Our tournament planning demonstrates both sustainability and forward-thinking vision, as we continue to work closely with the World Baseball Softball Confederation (WBSC) and the Baseball Federation of Asia (BFA) to promote the long-term development of baseball.

Acknowledgements

We extend our sincere gratitude to the Culture, Sports and Tourism Bureau (CSTB), Leisure and Cultural Services Department (LCSD), Sports Federation & Olympic Committee of Hong Kong, China (SF&OC), coaching staff, athletes, and baseball fans whose dedication made this year's achievements possible. Special appreciation goes to the parents, sponsors, and partner organizations for their unwavering support. We thank the Baseball Federation of Asia for providing competitive platforms and acknowledge the Hong Kong sports community for their growing engagement with baseball. The success of our international events would not have been possible without the participation of visiting teams and the hard work of our organizing committee.
