MESSAGES

MR. TIMOTHY FOK, GBS, JP
President of Sports Federation &
Olympic Committee of Hong Kong, China

Message for the WBSC-sanctioned Hong Kong International Baseball Open 2023 cum
“Phoenix Cup 2023” Hong Kong International Women’s Baseball Tournament

Twin tournaments held together signify the game is back in full swing as is our territory. The games were suspended for several years because of the ravages from the pandemic now waned if not passed. We love baseball and of course women who partake in it, a game that begins in spring and lasts into autumn. These tournaments in a pair featuring the best of the women in a sport played with camaraderie and passion that are embraced in Hong Kong since several decades as the level of competence soars inexorably by natural athletes who are drawn to it for good. May the best win in the parallel tournaments as we celebrate the game that permits time out from the daily frets and vexations of a hectic urban life. The Phoenix has risen and, with it, our spirit too in the tournaments that engross us as the pitches are tossed and the bats swung. Now play ball.

YIA-CHANG 86A WOMEN BASEBALL TEAM

Taipei Yu-Sheng High Match Women's Baseball Team was established in 2012. Unity, trust, inclusion, and perseverance are our core values. Trust brings us together to cheer for ourselves and our teammates. On clay and grass courts, we found the pure joy of playing baseball. Among teammates, we found real mutual trust and respect. We are not merely teammates but genuine friends that always have each other's back.

Since every team member has a full-time job outside baseball, we cherish each moment spent on the clay. To hit a successful slam, we squeeze practice time into our busy everyday routine so that we can bring out our best performance in matches.

Since 2018, we started receiving generous support from Mr. Lin Yu Chun—the funder of Yia-Chang 86A indoor baseball training facility. We thus participate in matches under the names of "Yu-Sheng HighMatch" and "Yia-Chang 86A" to express our appreciation for his long-term support.
